Directions to the Wilderness Club at Big Cedar

Address: 1285 ESTATE DRIVE, RIDGEDALE, MISSOURI 65739

Phone: 417.348.4085

- Take 65 through Branson, continuing south.
- You will go through Hollister (it just off the map above) on your way out of town. It is the last stop for groceries, fast food, etc.
- Continue south until you get to state (or county) highway 86. Take a right (west).
- You go on it about ½ mile and you will see a sign for Big Cedar on your right. Take it.
- The road is curvy.

Directions continue:

- When you turn off highway 86, you will be on Devils Pool Rd. In about ½ mile or so, there will be a Y in the road. Devils Pool will go left, downhill. You want to take the right turn onto Estate Drive.
- Estate Drive will take you to the resort.
- Again, you want [Blue Green] Wilderness Club at Big Cedar.

A few notes:

- You will be charged \$10/day. It is mandatory but will give you access to all the Big Cedar facilities.
- Our resort is the Wilderness Club at Big Cedar. It is a newer resort. “Big Cedar itself is older and separate. But you can use their facilities. They have a 9 hole putt-putt course for kids, shuffleboard, a nice exercise facility for adults (there is one at the Wilderness Club but a much nicer one at the Big Cedar facility).
- They have an assortment of games and puzzles you can check out.
- There are shuttle buses that will take you around the facilities at no cost. Just give the desk a call and it will be there within a few minutes.
- They bring cookies every night.
- It includes free internet access
- For groceries, there nearest places are in Hollister, which you will go through as you are heading out of Branson, as you continue south of 65.
